The undersigned certifies that all above information is true and accurate to the best of his/her knowledge. The accompanying sample is representative of the waste stream described above. All potential hazards have been noted in the handling section. Shipments may not begin until this waste stream has been approved as treatable by United Oil Recovery, Inc. If at any time, the information above should change or prove different, shipments will cease until further approval is obtained from United Oil Recovery, Inc. The undersigned accepts full responsibility for any misrepresentation and any damage that the misrepresentation does to equipment or personnel of United Oil Recovery, Inc. This will also certify that the waste stream described above does not contain Pesticides, Herbicides or any TSCA Polychlorinated Biphenyls (PCBs). It is understood by both the Generator and the Broker, that in the event of default of payment by the Broker, United and its affiliates reserve the right to pursue payment from the Generator.
