Various Sizes to Fit Your Needs

United offers an easy solution for the disposal of oily waste solids – the UNIbin! We offer four sizes to fit your needs.

The UNIbin system leaves the hassle of proper storage, transportation and recycling to us. Your problem is solved with our compact, on-site collection bins that can handle all your oily, non-hazardous solids.

The UNIbin is ideal for oily absorbents, oily rags, oily cardboard, oily sludges and floor sweepings. The UNIbin is safe, liquid-tight and convenient. It meets or exceeds environmental regulations.

On a regular schedule, tailored to your needs, we'll empty your UNIbin — leaving you and your staff time to focus on the production and profitability of your business.

UNIbin Options

Small UNIbin =
(2) 55 gal. Drum
33" L x 33" W x 36" H
\$325 per Service

Medium UNIbin =
(4) 55 gal. Drums
60" L x 33" W x 36" H
\$375 per Service

Large UNIbin =
(6) 55 gal. Drums
60" L x 43" W x 36" H
\$425 per Service

XL UNIbin =
(8) 55 gal. Drums
63" L x 44" W x 41" H
\$475 per service

NOTE: UNIbin is not for hazardous wastes, liquids, sludges from water or industrial treatment operations (unless prequalified), or special wastes (asbestos, biomedical, tires, PCBs, etc.). Rental charges may apply depending on service frequency.
